

Clean Your Room!

Mom and Dad like to see a tidy, clean bedroom. To earn your stripe, we would like you to surprise them and CLEAN YOUR ROOM, before they ask you to. Being responsible for our things is another important rule of martial arts. Taking care of your possessions is another form of respect. How many stripes have you earned so far?

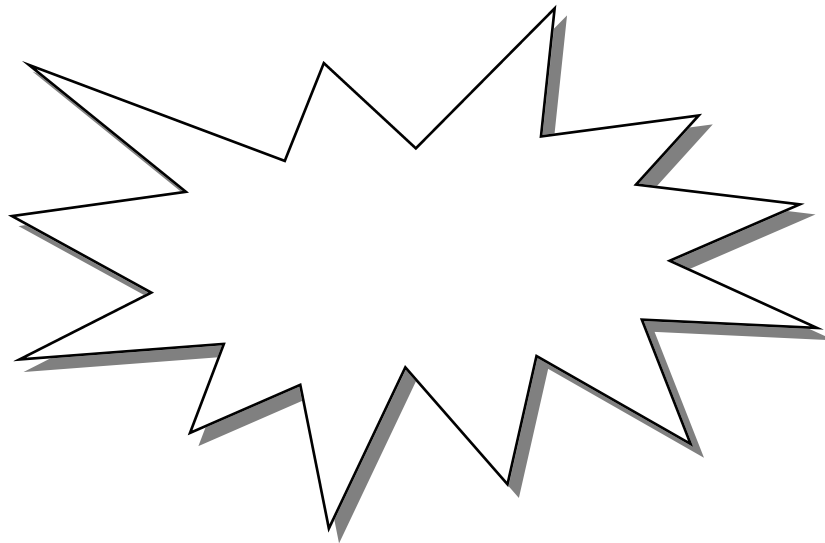

TO EARN YOUR STRIPE

Clean your room without having to be asked. Politely ask Mom or Dad to write a short note, telling us about it. We look forward to handing out stripes next class, so get it done

DO IT THE FIRST TIME!

Mom and Dad have probably complained when they have had to ask you to do something more than once. Maybe they even had to ask three or four times. Try doing chores, homework or anything the first time they ask.

Do it the first time without having to be asked. Then ask Mom or Dad to write a note and tell us about it. We look forward to seeing you at graduation with all those stripes!

GO ABOVE AND BEYOND!

Do something to help your parents when they least expect it!
Do something extra special, that you don't usually do. Set the
table, help with chores, be creative!

Respect for your Teacher!

Teachers are very important people. We learn how to focus our eyes and our concentration with their help. They teach us how to use our minds, and encourage us to succeed. Martial arts students know that the biggest gift you can give a teacher is your total attention, enthusiasm and respect.
